

Dear fellow Alumni, dear Friends of the Harvard Club of Austria,

Join us for the “**Educating for democracy**” lecture on **December 13th, at 5 p.m. CET** with **Meira Levinson**, Juliana W. and William Foss Thompson Professor of Education and Society at Harvard Graduate School, co-director of the Graduate Fellowship Program at the Edmond J. Safra Center for Ethics, and Director of the Democratic Knowledge Project.

Educating for democracy is a challenging task even in the best of times—and these are not the best of times. In sharply divided, hyperpartisan democracies, educators who undertake any civic education initiative risk being attacked by some parents and community members as partisan or even anti-democratic, even as others critique them for doing too little to support democracy.

Join Meira Levinson to participate in a lively, interactive case discussion about the political, ethical, and practical challenges facing educators today.
