

"Stammtisch" / HCA Dinner & Drinks

Dear Members of the Harvard Club of Austria,

We hope everyone had a fantastic start into the New Year!

You'll be happy to hear that our board has been planning a number of exciting, interesting and fun events for club members in 2014. We already look forward to sharing the details on these events with you in the coming weeks and months.

First of all, let's start the Spring season with a "**Stammtisch**", our tradition of more informal gatherings, scheduled for **Thursday, March 27, 2014, at 7.30 p.m.** We will meet at the lovely **Restaurant Joma, Hoher Markt 10, 1010 Vienna**. As an incentive for club members to attend, our friends and fellow club members **Birgit Radl-Wanko** and **Gebhard Ottacher** will be joining us to share details about the initiative "**Teach for Austria**". For your reference, here's some introductory information on the project: <http://www.teachforaustria.at/>.

In other, interesting news, we are forwarding below a note and invitation of the U.S. Embassy to Austria (*see next page*):

New Initiative - Fulbright Women's Roundtable

By popular demand the idea has come up to create a women's network of Fulbright alumnae, not as a separate "Verein" but connected to the Austrian Fulbright Alumni, the Austrian Fulbright Commission and the U.S. Embassy Vienna. The goal is to create a platform for exchange of ideas as well as networking opportunities for Fulbright alumnae in Austria. Get-togethers are planned to take place twice per year, with a key-note address, ensuing discussion and social get-together. A steering committee met in December last year to take initial steps to implement the idea. The first "Fulbright Women's Roundtable" is scheduled to meet in Spring 2014. If you are interested in this initiative and would like to receive invitations, please write to staff@fulbright.at and ask to be put on the mailing list. We look forward to meeting many of you in person before long.

We look forward to a spectacular attendance rate by club members on March 27!

Best regards,
Christof & Alex
